We are proud to very well presented town house in the heart of Castalla.

The property is spread over 3 floors and has been loving kept in keeping with a property of this type. On two of the floors is a terraced area. One with views of the town and the other views of Castalla Castle. One of the terraces is big and an ideal for alfresco dining. There is a small outside kitchen here too.

This is a lovely property which has been priced to sell.
