The plots have been assessed and are ready for construction, waiting for someone to build their dream home here is the Spanish countryside.

These plots are within a 50min drive to Alicante airport, city and beaches, however they are just over the Alicante – Murcia border, so tax on this plot is lower than Alicante tax of 10% and is set at 8%.

Pinoso (El Pinós) is one of Spain's richest towns, with a marble mine, thriving footwear industry, salt deposits and a booming wine and agriculture industry. The town sits located in the mountainous countryside of the Alicante wine region, 45-50 minutes drive to Alicante airport, city and beaches and close to the border of Murcia.

Pinoso has all the amenities you need: Supermarkets such as Consum, Dia, Mas y Mas and Hiperber, a wide range of restaurants including Irish and Indian and bars (50+), a 24hr medical centre, English speaking dentists, veterinary, a weekly market on Saturday and indoor market open 6 days a week. Pinoso has 3 primary schools, a high school and a music school. There is also a new cultural centre which houses a library and Spanish classes open to foreigners.

Throughout the year Pinoso has its traditional Spanish Fiestas with parades and musical performances which are renowned around the country, bonfires with a magic feeling and where people go out on the streets. There is also an annual running of the bulls (the bulls are not harmed!) which draws crowds from around the region to watch the brave participants join the bulls in the special arena.

Please do not miss this fantastic opportunity for two building plots in a quiet location.
